[1]For new artwork files, contact Customer Service for custom artwork number, lead-times, and cost.

[2]Cards ordered with plain white front and back packaging, or custom artwork, will still have a small HID logo HID and reference number printed in the lower left-hand corner.

[3]The Printed card number is placed in the bottom right-hand corner on the back of the card. The majority of part numbers are marked with sales order number, a custom part number is required to omit all marking from the card. Contact your local support representative for details.

[4]Cards are not available with any slot punch option.

[5]Please note that cards shipped within North America are always laser-engraved. Inkjetted option is not available for these cards.

[6]Available with 7 byte static UID for ISO14443A UID migration and interoperability. This feature reduces privacy and is not recommended. Contact your local sales or pre-sales representative for details.
